

"I want to be cremated,
but my family wants to have
a viewing and service."

"Get me a wood casket,
but don't spend a fortune."

"Scatter my ashes
in the ocean."

"Instead of getting an
expensive casket, spend
the money on a celebration."

"Just put me in a
plain pine box."

"Don't put me in a rental.
I want my own casket!"

The Solution for Every Family.

Give families what they want.

Caskets that look like solid wood — at the price of inexpensive metal — for burial, pre-cremation viewings and direct cremations.
